REGATTA

CHARITY REGATTA – FRIDAY, 29 November 2024

INVITATION TO PARTICIPANTS

Last year various key players from the industry came together to take part in a great day of sailing and entertainment and played a big role in raising over \$100,000 for charity.

In 2024 we are aiming for 50+ competing yachts to raise even more much needed funding for a range of Australian-based children, disability and medical research charities. Some of the 16 charities we are supporting this year include Neuroscience Research Australia, The Pyjama Foundation, Sunnyfield Disability Services, Westpac Rescue Helicopter Service & Women's Resilience Centre.

Once again the event will be staged from Middle Harbour Yacht Club and this will be the venue for the after-party and prize presentation.

HOW DO I FIND A YACHT?

We have acquired an extensive fleet of yachts that have been made available for the day, complete with skipper. The fleet includes a variety of different size and style yachts to suit any budget or requirements. You can indicate on the following form if you wish us to charter a yacht for you. Alternatively you are welcome to source your own yacht as long as it is insured and safety inspected as per legal requirements and standards.
